				187.5				\$29,160.00

**SUMMARY**

Total # of street trees to be removed – 17 (13 non-hazardous and 4 hazardous)

non-hazardous = excellent to fair condition; hazardous = poor to dying/dead condition

Items highlighted in yellow do not require payment as compensation (Total 41.7 inches diameter at breast height)

TOTAL # of inches diameter at breast height that require compensation (13 non-hazardous street trees) = 145.8

Non-hazardous street trees require payment at \$200/inch diameter

145.8 inches diameter at breast height x \$200 per inch diameter = \$29,160.00
