

Chairman Phil Mendelson

AN AMENDMENT (#1)

Bill 24-249, “

B24-248 “Coronavirus Public Health Extension Emergency Act of 2021”

B24-249 “Coronavirus Public Health Extension Temporary Act of 2021”

(Emergency and First Reading Temporary Version)

May 18, 2021

Section 6(a) [misabeled 6(c) in the introduced version] is amended as follows:

(a) Amendatory paragraph (2)(C) contained in paragraph (1), line 448 is amended by striking the phrase “Chairman of the Council” and inserting the phrase “Mayor” in its place

(b) Amendatory paragraph (5) contained in paragraph (3), lines 460-462 is amended to read as follows:

“(5) The member listed in subparagraph (5) of subsection (m)(2) shall not be a member of the Board of the Corporation as constituted on May 1, 2021.”

Rationale: These amendments would ensure that the makeup of the control board has sufficient Mayor-controlled seats, and would clarify that one member of the board not have served on the previous UMC Board
