Amendment:

Section 3, page 2, lines 37-46 is repealed.

Fiscal Impact:

This amendment will not have a fiscal impact.

Rationale:

This amendment removes from the bill the requirement for the Department of Health Care Finance to contract with at least 3 Medicaid providers, leaving the agency and the Office of Contracting and Procurement the discretion to determine the number of providers, after re-evaluating the contracting process for the District's Medicaid contract, as required by the Contract Appeals Board's decision in CAB No. P-1128.
