A PROPOSED RESOLUTION

\_\_\_\_\_  
IN THE COUNCIL OF THE DISTRICT OF COLUMBIA  
\_\_\_\_\_

To declare the existence of an emergency with respect to the need to amend, on an emergency basis, the District of Columbia Public Records Management Act of 1985 to clarify that communications created or received electronically in the course of official business are subject to existing record retention obligations.

RESOLVED BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this resolution may be cited as the “Fidelity in Access to Government Communications Clarification Emergency Declaration Resolution of 2022”.

Sec. 2. (a) On February 15, 2022, a concerning report regarding the Executive’s use of WhatsApp Messenger was published online.

(b) WhatsApp Messenger is an internationally available, cross-platform centralized instant messaging and voice-over-IP service owned by Meta Platforms (formerly Facebook). The application allows users to send text messages and voice messages, make voice and video calls, and share images, documents, user locations, and other content. Among many features available within the application is the ability to auto-delete messages after a set period of time.

(c) As reported, the Mayor’s Office did not respond to inquiries as to whether the administration prohibits use of this automatic delete feature.

32 (d) Use of applications, such as WhatsApp, with their ability to destroy or delete  
33 communications or keep them hidden or obscured, is contrary to the District's emphasis on  
34 governmental transparency, and makes public access to these records significantly more difficult,  
35 if not impossible (in cases where certain communications are deleted).

36 (e) In order to ensure that public's access to official government communications is not  
37 being diminished or compromised, it is necessary to approve emergency legislation.

38 Sec. 3. The Council of the District of Columbia determines that the circumstances  
39 enumerated in section 2 constitute emergency circumstances making it necessary that the Fidelity  
40 in Access to Government Communications Clarification Emergency Amendment Act of 2022 be  
41 adopted after a single reading.

42 Sec. 4. This resolution shall take effect immediately.
