RE: **Ceremonial Measure for the Agenda for March 15, 2022 Legislative Meeting**

In the case that I call for an Additional Legislative Meeting on March 15, 2022, please place the following ceremonial resolution on the agenda:

- **March is Brain Injury Awareness Month Recognition Resolution of 2022**

This ceremonial resolution recognizes the month of March as Brain Injury Awareness month and acknowledges the importance of raising public awareness of the need to reduce the incidence of traumatic brain injury, while focusing on improving acute care and rehabilitation, and increasing access to services for those with permanent traumatic brain injury related disabilities.

To be clear, this notice does not indicate that there will be an Additional Legislative meeting. A draft copy of the measure is attached. Please call me or Christian A. Washington, Special Counsel, if you have any questions at (202) 724-8083.
