

Chairman Phil Mendelson

AN AMENDMENT

Bill 24-617, "Office of District Waterways Management Establishment Act of 2022"

(Draft Committee Print Version)

December 6, 2022

(a) Sections 5, 6, and 7 are redesignated as Section 6, 7, and 8, respectively.

(b) A new Section 5 is added to read as follows:

"Sec. 5. Section 2(a) of the Advisory Neighborhood Commission Boundaries Act of 2022, effective August 10, 2022 (D.C. Law 24 148; D.C. Official Code § 1 309.03, note) is amended to read as follows:

"(a) The boundaries of SMD 6D01 are amended by striking the phrase "then due west along a line extending from said intersection to the center line of the Washington Channel" and inserting the phrase "then southeast along the shoreline of the Washington Channel to its intersection with the southern boundary of Southwest Waterfront Park; then due west along a line extending from such intersection to the center line of the Washington Channel" in its place.

"(b) The boundaries of SMD 6D07 are amended by striking the phrase "a line extending due west from a line following the eastern boundary of the drive lanes of the street identified as Marina Way in Zoning Commission Order No. 11-03J(2), dated December 7, 2018, and extending such eastern boundary to its intersection with the shoreline of the Washington Channel; then due east along such line to the shoreline of the Washington Channel; then southeast along the shoreline of the Washington Channel to the southern boundary of Southwest Waterfront Park" and inserting the phrase "a line extending due west from the southern boundary of Southwest Waterfront Park at its intersection with the shoreline of the Washington Channel; then east along such line to the southern boundary of Southwest Waterfront Park" in its place."

(c) Newly designated Section 7 is amended to read as follows:

Sec. ~~6~~ 7. Applicability.

"(a) Sections 2, 3, and 4 of this act shall apply upon the date of inclusion of its fiscal effect in an approved budget and financial plan.

"(b) The Chief Financial Officer shall certify the date of the inclusion of the fiscal effect in an approved budget and financial plan, and provide notice to the Budget Director of the Council of the certification.

Rationale: This amendment will shift Single Member District Advisory Neighborhood Commission boundaries in Ward 6. The same changes are being considered at the December 6, 2022 Legislative Meeting through Emergency and Temporary legislation. Approximately 150 individuals who reside on watercraft docked in slips within the Washington Channel would be relocated from ANC 6D07 to ANC 6D01. Given that this underlying legislation is related to waterway uses, this amendment would adopt the boundary changes on a permanent basis.
