SECTION B: CONTRACT TYPE, SUPPLIES OR SERVICES AND PRICE/COST

- B.1** The Office of the Attorney General for the District of Columbia (“OAG” or the “District”) engages Edelson PC (the “Contractor”) to assist the Public Advocacy Division (“PAD”) with litigation against Google LLC for violations of the Consumer Protection Procedures Act (“the Matter”).
- B.2** This is the definitized contract (Contract) contemplated by the letter contract between the Contractor and OAG (Letter Contract) dated October 6, 2022. The Letter Contract is merged herewith and is superseded by this Contract.
- B.3** In accordance with 27 DCMR 5025.3, the District hereby awards a contingency fee contract to Contractor, with a cost-reimbursement component. The Contractor shall represent the District on a contingency fee basis and shall receive, in accordance with the terms of the Contract, a percentage of any Net Recovery and reimbursement of actual direct costs and expenses, as defined herein, only in the event of and resulting from the successful prosecution of litigation in the Matter, through settlement, and/or judgment as set forth in the following Section B.4. **If no monetary recovery is realized, the Contractor shall receive no compensation whatsoever from the District.** In no event shall payment to the Contractor exceed 50% of the total monetary recovery by the District.

B.4 COMPENSATION

- B.4.1** Prior to, as a pre-condition of, the calculation of any compensation owed to Contractor from the District, the Contractor shall use its best efforts to seek its usual and customary allowable attorney fees and costs and expenses from the target(s) of the investigation and/or the defendant(s) (collectively “Target”).

B.4.2 CONTINGENCY FEE

- B.4.2.1** The Contractor shall only be entitled to compensation if the District realizes a monetary recovery, either through settlement, judgment or otherwise, in the Matter. The District agrees to pay the Contractor a percentage of the Net Recovery, as described in the Price Schedule at Section B.5, subject to the requirements of Paragraph B.4.4.
- B.4.2.2** The Net Recovery shall be calculated by deducting the Contractor’s Reimbursable Costs, up to the Not-to-Exceed (NTE) amount identified in the Price Schedule at Section B.5, from the Gross Recovery, as defined in Paragraph B.4.2.3. For illustrative purposes, if the Gross Recovery is \$50,000,000.00, and the Reimbursable Cost NTE amount is \$5,000,000.00, the Net Recovery is \$45,000,000.00.
- B.4.2.3** The gross recovery amount (Gross Recovery) is the present value of any monetary recovery realized by the District for the Matter as a result of Contractor’s representation of the District whether by settlement, pursuant to court judgment following trial or appeal, or otherwise. Gross Recovery does not include attorney fees included in a settlement agreement or awarded to the District for OAG attorney and staff time. Gross Recovery may come from any source, including, but not limited to, Targets and/or their

insurance carriers and/or any third party, whether or not a party to such investigation or cause of action.

B.4.3 REIMBURSABLE COSTS

B.4.3.1 Reimbursable costs are actual direct costs, as further described in Section C.11.2, incurred by the Contractor while performing services under this Contract (Reimbursable Costs). The Contractor shall be responsible for all of its costs and expenses incurred throughout the investigation and litigation.

B.4.3.2 The Contractor will only be entitled to recover Reimbursable Costs if the District obtains a monetary recovery and then only to the extent that the Contractor does not recover such costs from the Targets. To be clear, **for the purposes of calculating the District's liability for Reimbursable Costs only**, if The Contractor is able to recover, \$1,000,000.00 of its expenses from the Targets and the Reimbursable Cost NTE amount is \$5,000,000.00, the District will only pay Reimbursable Costs up to the NTE amount of \$4,000,000.00. Reimbursable Costs received from the Targets in no way changes the Reimbursable Costs NTE amount for the purpose of calculating Net Recovery.

B.4.3.3 Notwithstanding any other provision in this Contract, in no event shall the District's payment for Reimbursable Costs exceed 50% of the Gross Recovery.

B.4.3.4 In the event there is no monetary recovery, the District will not pay any Reimbursable Costs. The District understands and agrees, however, that if it incurs internal costs attributable to efforts of its own personnel in overseeing and aiding in the investigation and litigation, such as the District's own internal discovery-related costs, any such internal costs will not be reimbursed by Contractor to the District.

B.4.3.5 If Contractor is hired for multiple matters against multiple defendants under one contract, Contractor will only be entitled to fees, costs, and expenses for a matter against a defendant from which the District obtains a recovery (including costs of the matter fairly allocated to that defendant), and Contractor will not be entitled to fees, costs, or expenses solely allocated to any matter against a defendant where there is no recovery by the District.

B.4.4 ATTORNEY FEES

B.4.4.1 The Contractor understands and agrees that it shall not be entitled to any separate payment for such fees. In the event that the District realizes a monetary recovery, even if the Contractor is unable to recover its attorney fees from the Targets, the only compensation from the District shall be the Contingency Fee and Reimbursable Costs, pursuant to Sections B.4.2 and B.4.3.

B.4.4.2 If the Contractor recovers attorney fees from the Targets, whether in full or in part, such fees shall be deducted from the Contingency Fee. For illustrative purposes only, if the Net Recovery is \$50,000,000.00 (recovered after litigation is filed), the Contingency Fee (15%) is \$7,500,000.00; and if the Contractor sought \$3,000,000.00 in attorney fees

from the Targets and the Court awarded \$2,000,000.00, the Contractor is entitled to a Contingency Fee of \$5,500,000.00 (\$7,500,000.00 - \$2,000,000.00).

B.4.5 In no event will the District be required to compensate Contractor out of any fund other than monies recovered in the Matter.

C.3 BACKGROUND

Google LLC is a global technology company that monetizes consumers' personal data through its billion-dollar digital advertising business. This includes location data that can reveal sensitive information about consumers. Google promises consumers that they can control whether Google accesses this information through various privacy controls, but these promises are misleading. OAG, on behalf of the District of Columbia, has sued Google in the Superior Court of the District of Columbia for violating the District's Consumer Protection Procedures Act ("CPPA") through pervasive efforts to track users' locations without their knowledge or consent. The lawsuit seeks to protect District consumers against deceptive and unfair trade practices that invade consumers' privacy and usurp their ability to control their personal information.

C.4 REQUIREMENTS

C.4.1 Contractor shall perform legal services that include, but are not limited to the following:

C.4.1.1 Assist OAG with the investigation of potential violations of law by the Targets.

C.4.1.2 If violations of law are identified as a result of the investigation, assist in the litigation against the Targets. Contractor shall assist in all phases of these investigations and litigations, including:

- a. Preparation, filing, and service of all offensive and responsive pleadings;
- b. Preparation and service of all offensive and defensive discovery;
- c. Document review and management;
- d. Coordinating litigation with other states and the federal government to promote, to the extent beneficial, a unified approach to litigation;
- e. Taking depositions, defending depositions, preparing witnesses for depositions;
- f. Identifying and managing experts needed to analyze, develop, or prove the District's case;
- g. Participation and conduct of representation of the District in court hearings, oral arguments, trials, and settlement negotiations;
- h. Coordination and conduct of any needed appeal.

C.4.1.3 FOIA Assistance. Third parties may submit FOIA requests to OAG or the District regarding this Matter. OAG will notify Contractor of the FOIA request and Contractor shall electronically provide, within five business days, all records responsive to the FOIA request. In addition, Contractor shall make all records regarding this Matter available for examination and review by OAG, upon request. Contractor shall be entitled to reimbursement of costs for searching and copying records as set forth in the Standard Contract Provisions Paragraph 34, Freedom of Information Act (Attachment J.1).

C.4.1.4 Provide regular status reports to the Contract Administrator.

C.4.1.5 Provide legal services to OAG for this litigation in a manner consistent with accepted standards of practice in the legal profession. The Attorney General for the Office of the Attorney General of the District of Columbia (the Attorney General) shall have final authority over all aspects of this litigation. The litigation may be commenced, conducted, settled, approved and ended only with the express written approval of the Attorney General.

C.4.1.6 Coordinate the provision of legal services with the Attorney General or his or her designated assistant, other personnel of OAG, and such others as the Attorney General may appoint. The Attorney General, at his or her sole discretion, has the right to appoint a designated assistant ("Government Attorney") to oversee the litigation, which appointment the Attorney General may modify at will.

C.4.1.7 Submit all substantive pleadings, motions, briefs, and other material which may be filed with a court to OAG in draft form in a reasonable and timely manner for review. All such material must be approved by the Attorney General or appointed designee prior to filing.

C.4.1.8 Communicate with the District's executive branch and agencies through OAG unless authorized by OAG to communicate directly with any of them.

- C.4.1.9** Render services pursuant to this Contract as an independent contractor. Neither Contractor nor any employee of Contractor shall be regarded as employed by, or as an employee of OAG.

C.5 Notice Requirements for Reimbursable Costs

The Contractor shall provide notice to, and obtain approval from, OAG prior to incurring any individual Reimbursable Cost greater than \$5,000. G.3 REIMBURSABLE COSTS

G.3.1 Contractor shall only be entitled to Reimbursable Costs to the extent that Contractor is not able to recover its costs and expenses in accordance with Paragraph B.4.3. The CO will notify the Contractor in writing that the estimated cost has been increased and provide a revised cost reimbursement ceiling for performing this Contract.

G.3.7 Only the Contracting Officer has the authority to change the cost reimbursement ceiling. If any cost reimbursement ceiling specified in Section B.5 is increased, any costs the Contractor incurs before the increase that are in excess of the previous cost reimbursement ceiling shall be allowable to the same extent as if incurred afterward, unless the CO issues a termination or other notice directing that the increase is solely to cover termination or other specified expenses.

H.12 ETHICAL OBLIGATIONS AND LEGAL CONFLICTS OF INTEREST

H.12.1 An attorney-client relationship will exist between the District and any attorney who performs work under the Contract, as well as between the District and the firm of any attorney who performs work under the Contract. The D.C. Rules of Professional Conduct (RPC) and the ethical rules of any other jurisdiction in which work is performed are binding on the Contractor. The parties agree that the District may have a contractual cause of action based on violation of such rules, in addition to any other remedies available.

H.12.2 In addition to the prohibitions contained in the RPC and the ethical rules of any other jurisdiction in which work is performed, the Contractor agrees that it shall recognize that in the performance of the Contract it may receive certain information submitted to the District government on a proprietary basis by third parties, information which relates to potential or actual claims against the District government, or information which relates to matters in dispute or litigation. Unless the District consents to a particular disclosure, the Contractor shall use such information exclusively in the performance of the Contract and shall forever hold inviolate and protect from disclosure all such information, except disclosures required by applicable law or court order. The Contractor also agrees that, to the extent it is permitted to disclose such information, it will make such disclosures only to those individuals who need to know such information in order to perform required tasks in their official capacity and will restrict access to such information to such individuals.

H.12.3 Before any contractor can be retained to perform legal services under the Contract, on behalf of the District government, the Attorney General for the District of Columbia must review and waive all actual or potential direct and indirect conflicts of interest pursuant to RPC 1.6, 1.7, 1.8, 1.9 and 1.10. Contractor shall provide the Attorney General with the following: (1) a written statement that there exists no Rule 1.7(a) direct conflict of interest regarding the work to be performed under the Contract; (2) a written description of all actual or potential conflicts of interest regarding the work to be performed under the Contract that require waiver pursuant to Rule 1.7(b) because the contractor represents another client in a matter adverse to any of the following: (i) the District government agency or instrumentality to be represented under the

Contract; (ii) the District government as a whole; or (iii) any other agency or instrumentality of the District government (for this purpose, under D.C. Bar Legal Ethics Committee Opinion No. 268, a representation of a private client against a discrete government agency or instrumentality can have government-wide implications and thus constitute a representation adverse to the government as a whole pursuant to the RPC); and (3) a written description of all representations of clients who are or will be adverse to the District government with regard to the work to be performed under the Contract, whether or not such representations are related to the matter for which the work is to be performed under the Contract.

H.12.4 The Attorney General generally does not grant prospective conflict of interest waivers, except in certain *pro bono* matters. Thus, in addition to the prohibitions contained in the RPC and the ethical rules of any other jurisdiction in which work is performed under the Contract, without the consent of the Attorney General, the Contractor shall not represent any party other than the District in any disputes, negotiations, proceedings or litigation adverse to any agency or instrumentality of the District government or the District government as a whole, including, but not limited to, matters related to the work to be performed under the Contract. The Contractor shall notify the Attorney General immediately, in writing, of any potential conflicts of interest (as defined in the RPC) that arise during the period that the Contractor is performing work under the Contract. The Attorney General makes every attempt to be reasonable in deciding whether or not to consent to a conflict of interest and usually makes this decision promptly after receiving notice and sufficient information regarding the conflict. If the Attorney General does not waive a conflict of interest, the Contractor shall undertake immediate action to eliminate the source of any such conflict of interest.

H.12.5 Before any contractor can be retained pursuant to the Contract, the Attorney General for the District of Columbia must review all actual, direct and potential conflicts of interest on behalf of the District government in light of D.C. Bar Rules of Professional Conduct (“RPC”) 1.6, 1.7, 1.8, 1.9 and 1.10. Contractor shall provide the Attorney General with written notice of all actual or potential direct and indirect conflicts of interest in which the Contractor represents (or may represent) another client with interests adverse to the District government agency to be represented as well as against the District government as a whole. For this purpose, under D.C. Bar Legal Ethics Committee Opinion No. 268, (http://app.ocp.dc.gov/pdf/DCEB-2018-R-0001_ATTT2.pdf), a representation of a private client against a discrete government agency can have government-wide implications and thus qualify under the RPC as being against the government as a whole, including the individual agency that the private firm represents. In that situation, the private firm would be required to notify the Attorney General of the existence of a conflict under RPC 1.7 and obtain consent to such representation and waiver of the conflict. The Attorney General makes every attempt to be reasonable in deciding whether or not to consent to a conflict and usually makes this decision promptly after receiving notice of the conflict.

ORM will determine the insurance requirements applicable to the subcontractor and promptly deliver such requirements in writing to the Contractor and the CA. The Contractor must provide proof of the subcontractor's required insurance prior to commencement of work by the subcontractor. If the Contractor decides to engage a subcontractor without requesting from ORM specific insurance requirements for the subcontractor, such subcontractor shall have the same insurance requirements as the Contractor.

All required policies shall contain a waiver of subrogation provision in favor of the Government of the District of Columbia.

The Government of the District of Columbia shall be included in all policies required hereunder to be maintained by the Contractor and its subcontractors (except for workers' compensation and professional liability insurance) as an additional insureds for claims against The Government of the District of Columbia relating to this contract, with the understanding that any affirmative obligation imposed upon the insured Contractor or its subcontractors (including without limitation the liability to pay premiums) shall be the sole obligation of the Contractor or its subcontractors, and not the additional insured. The additional insured status under the Contractor's and its subcontractors' Commercial General Liability insurance policies shall be effected using the ISO Additional Insured Endorsement form CG 20 10 11 85 (or CG 20 10 07 04 **and** CG 20 37 07 04) or such other endorsement or combination of endorsements providing coverage at least as broad and approved by the CO in writing. All of the Contractor's and its subcontractors' liability policies (except for workers' compensation and professional liability insurance) shall be endorsed using ISO form CG 20 01 04 13 or its equivalent so as to indicate that such policies provide primary coverage (without any right of contribution by any other insurance, reinsurance or self-insurance, including any deductible or retention, maintained by an Additional Insured) for all claims against the additional insured arising out of the performance of this Statement of Work by the Contractor or its subcontractors, or anyone for whom the Contractor or its subcontractors may be liable. These policies shall include a separation of insureds clause applicable to the additional insured.

If the Contractor and/or its subcontractors maintain broader coverage and/or higher limits than the minimums shown below, the District requires and shall be entitled to the broader coverage and/or the higher limits maintained by the Contractor and subcontractors.

3. Workers’ Compensation Insurance - The Contractor shall provide evidence satisfactory to the CO of Workers’ Compensation insurance in accordance with the statutory mandates of the District of Columbia or the jurisdiction in which the contract is performed.

The Contractor warrants that any applicable retroactive date precedes the date the Contractor first performed any professional services for the Government of the District of Columbia and that continuous coverage will be maintained or an extended reporting period will be exercised for a period of at least ten years after the completion of the professional services. Limits may not be shared with other lines of coverage.
6. All liability coverages must be scheduled under the umbrella and/or excess policy. The insurance required under this paragraph shall be written in a form that annually reinstates all required limits. Coverage shall be primary to any insurance, self-insurance or reinsurance maintained by the District and the "other insurance" provision must be amended in accordance with this requirement and principles of vertical exhaustion.

- E. CONTRACTOR’S PROPERTY.** Contractor and subcontractors are solely responsible for any loss or damage to their personal property, including but not limited to tools and equipment, scaffolding and temporary structures, rented machinery, or owned and leased equipment. A waiver of subrogation shall apply in favor of the District of Columbia.
- F. MEASURE OF PAYMENT.** The District shall not make any separate measure or payment for the cost of insurance and bonds. The Contractor shall include all of the costs of insurance and bonds in the contract price.
- G. The Contractor shall provide the CO with ten (10) days prior written notice in the event of non-payment of premium. The Contractor will also provide the CO with an updated Certificate of Insurance should its insurance coverages renew during the contract.
- H. CERTIFICATES OF INSURANCE.** The Contractor shall submit certificates of insurance giving evidence of the required coverage as specified in this section prior to commencing work. If the insurance initially obtained by the Contractor expires prior to completion of the contract, renewal certificates of insurance and additional insured and other endorsements shall be furnished to the CO prior to the date of expiration of all such initial insurance. For all coverage required to be maintained after completion, an additional certificate of insurance evidencing such coverage shall be submitted to the CO on an annual basis as the coverage is renewed (or replaced).

- I. I.4 DISPUTES

Delete Article 14, Disputes, of the Standard Contract Provisions dated July 2010 for use with District of Columbia Government Supplies and Services Contracts and substitute the following Article 14, Disputes, in its place:

14. DISPUTES (April 2012)

All disputes arising under or relating to the Contract shall be resolved as provided herein.

- (a) **Claims by the Contractor against the District:** Claim, as used in paragraph (a) of this clause, means a written assertion by the Contractor seeking, as a matter of right, the payment of money in a sum certain, the adjustment or interpretation of contract terms, or other relief arising under or relating to the Contract. A claim arising under a contract, unlike a claim relating to that contract, is a claim that can be resolved under a contract clause that provides for the relief sought by the claimant
- (1) All claims by a Contractor against the District arising under or relating to a contract shall be in writing and shall be submitted to the CO for a decision. The Contractor's claim shall contain at least the following:
- (i) A description of the claim and the amount in dispute;
 - (ii) Data or other information in support of the claim;
 - (iii) A brief description of the Contractor's efforts to resolve the dispute prior to filing the claim; and

- (4) The CO's written decision shall do the following:
- i. Provide a description of the claim or dispute;
 - ii. Refer to the pertinent contract terms;
 - iii. State the factual areas of agreement and disagreement;

- iv. State the reasons for the decision, including any specific findings of fact, although specific findings of fact are not required and, if made, shall not be binding in any subsequent proceeding;
- v. If all or any part of the claim is determined to be valid, determine the amount of monetary settlement, the contract adjustment to be made, or other relief to be granted;
- vi. Indicate that the written document is the CO's final decision; and
- vii. Inform the Contractor of the right to seek further redress by appealing the decision to the Contract Appeals Board.

(5) Failure by the CO to issue a decision on a contract claim within 120 days of receipt of the claim will be deemed to be a denial of the claim, and will authorize the commencement of an appeal to the Contract Appeals Board as provided by D.C. Official Code § 2 360.04.

(6) If a contractor is unable to support any part of its claim and it is determined that the inability is attributable to a material misrepresentation of fact or fraud on the part of the Contractor, the Contractor shall be liable to the District for an amount equal to the unsupported part of the claim in addition to all costs to the District attributable to the cost of reviewing that part of the Contractor's claim. Liability under this paragraph (a)(6) shall be determined within six (6) years of the commission of the misrepresentation of fact or fraud.

(7) Pending final decision of an appeal, action, or final settlement, the Contractor shall proceed diligently with performance of the Contract in accordance with the decision of the CO.

(b) **Claims by the District against the Contractor:** Claim as used in paragraph (b) of this clause, means a written demand or written assertion by the District seeking, as a matter of right, the payment of money in a sum certain, the adjustment of contract terms, or other relief arising under or relating to the Contract. A claim arising under a contract, unlike a claim relating to that contract, is a claim that can be resolved under a contract clause that provides for the relief sought by the claimant.

(1) The CO shall decide all claims by the District against a contractor arising under or relating to a contract.

- (i) Provide a description of the claim or dispute;
- (ii) Refer to the pertinent contract terms;
- (iii) State the factual areas of agreement and disagreement;
- (iv) State the reasons for the decision, including any specific findings of fact, although specific findings of fact are not required and, if made, shall not be

- binding in any subsequent proceeding;
 - (v) If all or any part of the claim is determined to be valid, determine the amount of monetary settlement, the contract adjustment to be made, or other relief to be granted;
 - (vi) Indicate that the written document is the CO's final decision; and
 - (vii) Inform the Contractor of the right to seek further redress by appealing the decision to the Contract Appeals Board.
- (3) The CO shall support the decision by reasons and shall inform the Contractor of its rights as provided herein.
 - (4) Before or after issuing the decision, the CO may meet with the Contractor to attempt to resolve the claim by agreement.
 - (5) The authority contained in this paragraph (b) shall not apply to a claim or dispute for penalties or forfeitures prescribed by statute or regulation which another District agency is specifically authorized to administer, settle or determine.
 - (6) This paragraph shall not authorize the CO to settle, compromise, pay, or otherwise adjust any claim involving fraud.
- (c) Decisions of the CO shall be final and not subject to review unless the Contractor timely commences an administrative appeal for review of the decision, by filing a complaint with the Contract Appeals Board, as authorized by D.C. Official Code § 2-360.04.
 - (d) Pending final decision of an appeal, action, or final settlement, the Contractor shall proceed diligently with performance of the Contract in accordance with the decision of the CO.

I.5 CHANGES

Delete clause 15, Changes, of the Standard Contract Provisions dated July 2010 for Use with District of Columbia Government Supplies and Services Contracts and substitute the following clause 15, Changes, in its place:

15. Changes [February 2019]:

- (a) The CO may, at any time, by written order, and without notice to the surety, if any, make changes in the Contract within the general scope hereof. If such change causes an increase or decrease in the cost of performance of the Contract, or in the time required for performance, an equitable adjustment shall be made. Any claim for adjustment for a change within the general scope must be asserted within ten (10) days from the date the change is ordered; provided, however, that the CO, if he or she determines that the facts justify such action, may receive, consider, and adjust any such claim asserted at any time prior to the date of final settlement of the Contract. If the parties fail to agree upon the adjustment to be

made, the dispute shall be determined as provided in **Disputes clause at Paragraph I.4.**

- (b) The District shall not require the Contractor, and the Contractor shall not require a subcontractor, to undertake any work that is beyond the original scope of the Contract or subcontract, including work under a District-issued change order, when the additional work increases the Contract price beyond the not-to-exceed price or negotiated maximum price of the Contract, unless the CO:
 - (1) Agrees with the Contractor, and if applicable the subcontractor, on a price for the additional work;
 - (2) Obtains a certification of funding to pay for the additional work;
 - (3) Makes a written, binding commitment with the Contractor to pay for the additional work within thirty (30) days after the Contractor submits a proper invoice; and
 - (4) Provides the Contractor with written notice of the funding certification.
- (c) The Contractor shall include in its subcontracts a clause that requires the Contractor to:
 - (1) Within five (5) business days of its receipt of notice of the approved additional funding, provide the subcontractor with notice of the amount to be paid to the subcontractor for the additional work to be performed by the subcontractor;
 - (2) Pay the subcontractor any undisputed amount to which the subcontractor is entitled for the additional work within ten (10) days of receipt of payment from the District; and
 - (3) Notify the subcontractor and CO in writing of the reason(s) the Contractor withholds any payment from a subcontractor for the additional work.
- (d) Neither the District, Contractor, nor any subcontractor may declare another party to be in default, or assess, claim, or pursue damages for delays until the parties agree on a price for the additional work.

I.6 NON-DISCRIMINATION CLAUSE

Delete clause 19, Non-Discrimination Clause, of the Standard Contract Provisions dated July 2010 for Use with District of Columbia Government Supplies and Services Contracts and substitute the following clause 19, Non-Discrimination Clause, in its place:

19. Non-Discrimination Clause (September 2011)

- (a) The Contractor shall not discriminate in any manner against any employee or applicant for employment that would constitute a violation of the District of Columbia Human Rights Act, effective December 13, 1977, as amended (D.C. Law 2-38; D.C. Official Code § 2-1401.01 *et seq.*) (“Act”, as used in this clause). The Contractor shall include a similar clause in all subcontracts, except subcontracts for standard commercial supplies or raw materials. Sexual harassment is a form of sex discrimination which is prohibited by the Act. In addition, harassment based on any of the above protected categories is prohibited by the Act.
 - (2) The Contractor agrees to take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their actual or perceived: race, color, religion, national origin, sex, age, marital status, personal appearance, sexual orientation, gender identity or expression, family responsibilities, genetic information, disability, matriculation, political affiliation, or credit information. The affirmative action shall include, but not be limited to the following:

 - (4) The Contractor shall, in all solicitations or advertisements for employees placed by or on behalf of the Contractor; state that all qualified applicants will receive consideration for employment pursuant to the non-discrimination requirements set forth in paragraph 19(b) (2).

 - (6) The Contractor agrees to permit access to its books, records, and accounts pertaining to its employment practices, by the Chief Procurement Officer or designee, or the Director of the Office of Human Rights or designee, for purposes of investigation to ascertain compliance with the Act, and to require under terms of any subcontractor agreement each subcontractor to permit access of such subcontractors' books, records, and accounts for such purposes.

- (7) The Contractor agrees to comply with the provisions of the Act and with all guidelines for equal employment opportunity applicable in the District adopted by the Director of the Office of Human Rights, or any authorized official.
- (8) The Contractor shall include in every subcontract the equal opportunity clauses, i.e., paragraphs 19(b) (1) through (b) (9) of this clause, so that such provisions shall be binding upon each subcontractor.
- (9) The Contractor shall take such action with respect to any subcontract as the CO may direct as a means of enforcing these provisions, including sanctions for noncompliance; provided, however, that in the event the Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the contracting agency, the Contractor may request the District to enter into such litigation to protect the interest of the District.

I.7 CONFIDENTIALITY OF INFORMATION

The Contractor shall keep all information relating to the Matter in absolute confidence and shall not use the information in connection with any other matters; nor shall it disclose any such information to any other person, firm or corporation, in accordance with the District and federal laws governing the confidentiality of records.

I.8 SUBCONTRACTS

Contractor shall not subcontract any of the Contractor's work or services to any subcontractor without the prior written consent of the CO. Any work or service so subcontracted shall be performed pursuant to a subcontract agreement, which the District will have the right to review and approve prior to its execution by the Contractor.
