I. BACKGROUND AND NEED

On October 4, 2021 Bill 25-111, the “Rev. Lloyd N. Young Court Designation Act of 2023” was introduced by Chairman Mendelson and Councilmembers Allen and Gray to officially designate the public alley within Square 4546, bounded by 17th Street, N.E., E Street, N.E., 18th Street, N.E. and D Street, N.E. as Rev. Lloyd Young Court, N.E. The location is in Ward 7. An official naming typically involves the designation of postal addresses and enables the placement of the primary entrance to residences or offices.

Official Naming

Rev. Lloyd Young Court is the proposed name for an alley system that with an internal developable lot. The owner of the lot seeks a name for the alley in order to obtain the necessary District agency approvals for a by-right development to replace a warehouse with an alley dwelling. Lloyd Young was born in Washington on November 21, 1895. He attended the Howard University School of Religion and the Washington Baptist Seminary, licensed as a minister in 1923, and ordained in 1928. Rev. Young served for two years as pastor of the Central Baptist Church and eventually became pastor of the Greater Mount Pisgah Baptist Church as well as a

guest pastor at a number of area churches. Rev. Young served in the U.S. Army in France during World War I. He retired from the church in 1957 after serving as pastor for 27 years. He passed away on May 29, 1980 at the age of 84.

Legal Background

The Street and Alley Closing and Acquisition Procedures Act of 1982, effective March 10, 1983 (D.C. Law 4-201; D.C. Official Code § 9-204.01 *et seq.*) (“Act”) establishes procedures for closing streets and alleys, opening new streets and alleys, naming public spaces, and other procedures related to streets and alleys. Specifically, the Act authorizes the Council to symbolically or officially designate or change the name of any public space in the District of Columbia, including streets and alleys.¹ In October 2016, the Act was amended to create a clear distinction between official and symbolic street and alley namings and to establish distinct processes and requirements for each type of naming.²

An “official name” refers to the legal designation of an alley or a street for mailing address and other purposes,³ whereas a symbolic name for a street or alley shall be in addition to and subordinate to any name that is an official name.⁴ Streets that do not form an essential part of the rectangular system of streets shall be named after a prominent local feature in their vicinity, or by such other distinguishing designation as the Council may determine to be appropriate..⁵ “Rev. Lloyd Young Court” will be an official street designation.

The Act also establishes notice requirements for official designations. First, at least 15 days, but not more than 60 days prior to the scheduled public hearing, the initiator of the proposed designation shall: 1) give written notice of the date, time, and location of the hearing to each owner of property and household occupying property that abuts the alley or street, or portion thereof, proposed to be designated with an official name; and 2) post signs that indicate the date, time, and location of the Council hearing at each intersection with any other alley or street of the portion of the alley or street proposed to be designated.⁶ The initiator shall certify to the Council that the notice required has been given.⁷ Second, at least 30 days prior to the scheduled public hearing, the initiator shall submit a copy of the proposed legislation for review and comment to each Advisory Neighborhood Commission (“ANC”) in which the portion of the alley or street to be designated is located.⁸ Third, at least five days prior to the hearing, the initiator shall submit to the Council letters or a petition in support of the proposal that have been signed by a majority of the owners of property and households occupying property that abuts the portion of the alley or street proposed to be designated with an official name.⁹

¹ See D.C. Official Code § 9-204.01 *et seq.*

² See D.C. Law 21-161, effective from Oct. 8, 2016, Published in DC Register Vol 63 and Page 12933.

³ D.C. Official Code § 9-201.01(5A).

⁴ D.C. Official Code § 9-204.03a(a).

⁵ D.C. Official Code § 9-204.02(4).

⁶ See D.C. Official Code § 9-204.21(b).

⁷ D.C. Official Code § 9-204.21(e).

⁸ D.C. Official Code § 9-204.21 (d).

⁹ D.C. Official Code § 9-204.21(f). However, if the Mayor or a Councilmember introduces the designation without an initiator, then the petition requirement does not apply. D.C. Official Code § 9-204.21(i).

Lastly, prior to consideration of a designation by the Council, the Mayor shall provide to the Council a surveyor's plat of the alley or street and adjacent properties.¹⁰

Regarding Bill 25-111, the spirit of the notice and posting requirements were met by the initiator. The initiator worked with the local Advisory Neighborhood Commissioner to select a name that will affect only the lot owned by the initiator.¹¹ Therefore, the Committee recommends adoption of the Bill 25-111, notwithstanding the notice requirement.

After the official street or alley designation legislation becomes law and all conditions required by the Council and the Act have been satisfied, DDOT will install signage indicating the official name of the alley or street or portion thereof, and remove signs, if any, with a previous name.¹² The Mayor shall update relevant records of the District of Columbia to reflect the official name of an alley or street, or portion thereof, including: Fire and Emergency Medical Service records, Homeland Security and Emergency Management records, District of Columbia maps, and any other record that the District of Columbia uses for way-finding or address purposes.¹³ The Mayor shall also notify the United States Postal Service, other relevant government agencies as determined by the Mayor, and relevant private sector entities.¹⁴ Additionally, the Surveyor of the District of Columbia shall record a copy of the legislation and the Surveyor's plat in the Office of the Surveyor.¹⁵

Officially designating this alley as Rev. Lloyd Young Court, N.E. will allow for the construction of an alley dwelling and will honor Rev. Young who was an upstanding community member. For these reasons, the Committee of the Whole recommends the approval of Bill 25-111, the "Rev. Lloyd N. Young Court Designation Act of 2023."

Good morning, Chairman Mendelson, members of the Council, staff, and District residents. My name is Brant Miller, Interim Manager of the Policy and Legislative Affairs Division at the District Department of Transportation, commonly referred to as DDOT. I am here today to present testimony on behalf of Mayor Muriel Bowser and DDOT Director Everett Lott regarding the following bills:

- B25-70, the “St. Augustine School Way Designation Act of 2023”
- B25-111, the “Rev. Lloyd N. Young Court Designation Act of 2023”

The stated purpose of **Bill 25-70** is to *symbolically* designate the 1400 Block of V Street, N.W., in Ward 1, as *St. Augustine School Way*. For visualization purposes, I have attached to this testimony a copy of a DDOT-generated map highlighting the 1400 block of V Street, N.W.. In fiscal terms, the cost of each installed sign for this designation is approximately \$190 (\$65 for sign fabrication and \$125 for sign installation). Sufficient signage requires three total signs, totaling \$570.

The stated purpose of **Bill 25-111** is to *officially* designate the public alley system within Square 4546, bounded by 17th Street, N.E., E Street, N.E., 18th Street, N.E. and D Street, N.E. as *Rev. Lloyd N. Young Court NE*. For visualization purposes, I have attached to this testimony a copy of the plat of the designated

alley system. DDOT notes that in addition to new signage, this newly designated alley system will require new poles. In fiscal terms, the cost of each installed pole is approximately \$270. Sufficient poles and signage requires four total poles and four total signs, totaling \$1,840.

DDOT can absorb the costs of these signs and poles within its current budget and does not foresee any operational impact that these official and symbolic namings would have on the District's transportation network. Therefore, the Administration has no objection to these street and alley namings. DDOT stands ready to assist the Council and all other stakeholders with any ceremonial unveiling activities that may materialize as a result of these bills being passed.

This concludes my testimony. Thank you for allowing me the opportunity to testify before you today. I am available to answer any questions that you may have.

Testimony for Naming the Alley

03/10/23

Dear Chair Mendelson,

Ref: Alley Naming in Rosedale Community **Square 4546 Lots 187-194**

My name is Sanjay Bajaj, and I am a local developer in the District of Columbia and owner of the above mentioned lots. First and foremost, I wanted to Thank you and the team for allowing me to submit this testimony and making my opinion count.

After reviewing several public servants and their credentials/sacrifices it was not an easy task to choose one as we had and have many true heroes in our community that we admire and look up to. With that said, for this specific alley name I propose Rev. Lloyd N. Young.

Mr. Young was born in Washington. He graduated from the Howard University School of Religion and the Washington Baptist Seminary. He was licensed as a minister in 1923 and ordained in 1928.

Rev. Lloyd N. Young, 84, served as the pastor of the Greater Mount Pisgah Baptist Church in Washington for 27 years before he retired in 1957, died of pneumonia Thursday at the Capitol Hill Hospital. Young provided excellent spiritual guidance and a multitude of services and support to many families and our youth in the Rosedale and Kingman Park communities.

Mr. Young was a member of the Baptist Ministers Conference of Washington, D.C. and Vicinity, the Baptist Convention of Washington, D.C. and Vicinity, the Mount Bethel Baptist Association and the Potomac River Baptist Association. He belonged to the Masons, the American Legion and the Veterans of Foreign Wars. He had served in the U.S. Army in France in World War I.

Again I appreciate you allowing me to voice my option and I am hopeful you and your team will honor and recognize such a great public servant for the people of the Rosedale Community and District of Columbia.

If you have any questions or comments feel to reach me, my contact is listed below.

Best Regards,

Sanjay Bajaj

Re: Recommendation and Testimony Regarding the Naming of the Rosedale Community's Alley for the late Reverend LLOYD N. Young Court.

Dear Chair Mendelson:

On behalf of the Kingman Park Civic Association, we highly recommend naming the alley (Court) directly behind or adjacent to Mount Pisgah Baptist Church in honor of the late Reverend LLOYD N. Young. He was not only a longtime pastor of Mount Pisgah and several other city churches, but he served the country as veteran of World War I. He is still remembered as a greater leader in Rosedale and Kingman Park, and he continues the legacy of being an outstanding 1923 graduate of Howard University's School of Religion. He is buried at Arlington National Cemetery.

Reverend Young encompasses the values, goals and educational attainments that we inspire in the youth of our community. We are honored to support the nomination of ANC Commissioner Sondra Phillips Gilbert.
