The Honorable Phil Mendelson, Chairman
Council of the District of Columbia
1350 Pennsylvania Avenue, NW, Suite 504
Washington, DC 20008

Dear Chairman Mendelson:

Enclosed for consideration and approval by the Council of the District of Columbia, is proposed emergency legislation, “University of the District of Columbia Modifications 1- 4 to Contract No. GF 2021-C-0009 with Bailey’s Real Estate Holdings, LLC Approval and Payment Authorization Emergency Act of 2024” and the corresponding emergency declaration resolution. The Council previously approved this multiyear contract, CA-24-0118 on May 24, 2021.

Council approval is required by § 451(c)(3) of the District of Columbia Home Rule Act, approved December 24, 1973, 87 Stat. 803, Pub. L. 193-198; D.C. Official Code § 1-204.51 (c)(3). The University’s reliance on this contract to ensure regular commercial cleaning services for the University of the District of Columbia is absolute at present. Without Council approval on an emergency basis, critical support services necessary to the health, safety and fulfillment of the University’s mission risks disruption.

Because Option years 1- 3 were not timely submitted to extend the periods of performance, the University is requesting Council approval via Modifications One, Two, Three and Four to Contract No. GF-2021-C-0009 in the following amounts:

Modification 1 - \$2,999,950.00
Modification 2 - \$2,999,950.00
Modification 3 - \$950,000.00
Modification 4 - \$2,049,950.00

The total price is \$8,999,850.00 for these 3 years as approved in 2021. The University exercised Option Year 3 by partial payment on October 1, 2023 thus reducing the Option Year 3 contract amount to \$2,049,950.00.

The University’s review of why and how this happened is ongoing. The magnitude of this procurement process lapse is not lost on this administration. I am fully committed to ensuring that the contracting and procurement laws, rules, regulations, and procedures are carefully followed.

Given the significance of this action to our campus, I respectfully request that the Council approve the “University of the District of Columbia Options Years Nos 1-3 to Contract No. GF 2021-C-0009 with Bailey’s Real Estate Holdings, LLC Approval and Payment Authorization Emergency Act of 2024.”

I am available to discuss any questions you may have regarding the proposed emergency legislation, at 202-274-5100. Thank you in advance for your consideration.

Sincerely,

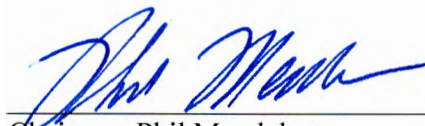

A handwritten signature in blue ink that reads "Maurice D. Edington". The signature is fluid and cursive, with the first name "Maurice" being larger and more prominent than the last name "Edington".

It was advertised in the Washington Examiner newspaper and posted on the UDC Website.

There were two (2) amendments to the solicitation. Technical Proposal versus price is the dominant consideration for an award. Proposals from the following were received on the due date and time of January 8, 2021, by 2:00 p.m. A proposal from Motir Services was not considered because the vendor was disqualified due to debarment. A proposal from RSC Electrical & Mechanical was not considered because the company was non-responsive. Below is an abstract of the proposals accepted. It includes total prices for the base year and four option periods.

	<u>Base + 4 Option Years</u>	
Vendor	Proposal Amount	Status
Motir Services	\$17,071,223.40	Disqualified due to debarment
RSC Electrical	\$15,150,000.00	Non-responsive

However, the negotiated contract period of performance shall be for a 1 base-year period not to exceed \$2,999,950.00, four (4) one-year option performance periods at a maximum price of \$2,999,950.00 per option year.

(E) A description of any bid protest related to the award of the contract, including whether the protest was resolved through litigation, withdrawal of the protest by the protestor, or voluntary corrective action by the District. Include the identity of the protestor, the grounds alleged in the protest, and any deficiencies identified by the District as a result of the protest:

No protests were received.

(F) The background and qualifications of the proposed contractor, including its organization, financial stability, personnel, and performance on past or current government or private sector contracts with requirements similar to those of the proposed contract:

The CO reviewed the application submitted by Bailey Real Estate Holdings, LLC and determined that it has the necessary organizational experience, technical skills, accounting, and operational controls to provide the contract's requirements.

The proposed contractor First Source Agreement was approved on April 7, 2021.

(G) The period of performance associated with the proposed change, including date as of which the proposed change is to be made effective:

The period of performance remains the date of award - base year, plus four one-year options.

Option-year one (1) - October 1, 2021 -September 30, 2022
Option-year two (2) - October 1, 2022 -September 30, 2023
Partial Option-year three (3) - October 1, 2023 -December 31, 2023
Partial Option-year three (3) - January 1, 2024 -September 30, 2024

(H) The value of any work or services performed pursuant to a proposed change for which the Council has not provided approval, disaggregated by each propose change if more than one proposed change has been aggregated for Council review:

1.) On October 1, 2021, the Department executed Modification No. 1, increasing the amount by \$2,999,950.00.

- 2.) Modification No. 2 was executed on October 1, 2022, and the amount was raised to \$2,999,950.00.
- 3.) Partial Modification No. 3 was executed on October 1, 2023, and the amount was increased by \$950,000.00.

Modification Nos. 1, 2, 3, and 4, increased the Contact's amount as well as the total Contract value by an aggregate dollar amount of \$8,999,850.00, establishes a total Contract value of \$11,999,800.00.

Modification No. 1 contract was awarded in the amount of \$2,999,950.00
Modification No. 2 contract was awarded in the amount of \$2,999,950.00
Modifications No. 3 & 4, contract was awarded in the amount of \$2,999,950.00.
\$8,999,850.00

(J) The date on which the contracting officer was notified of the proposed change:

The Contracting Officer was notified of the proposed change on October 1, 2023.

(K) The reason why the proposed change was sent to Council for approval after it is intended to take effect:

The original Janitorial contract with Bailey's Real Estate Holdings, LLC, was approved in 2021 for a base and four one-year options. However, the university was remiss in forwarding the options to the Council for their approval. We are therefore retroactively submitting options 1, 2, and 3. Notwithstanding, the contractor has already been paid for Option year 1, \$2,999,950.00 and Option year 2, \$2,999,950.00. Services for Option year 3 commenced on October 1, 2023.

(L) The reason for the proposed change:

The University of the District of Columbia has a continuing need to provide standardized janitorial services for the University Community. The absence of these services would present a health and safety hazard condition for not only the University's faculty and staff, but also its students.

(M) The legal, regulatory, or contractual authority for the proposed change:

Contract Modification Nos. 1, 2, 3 and 4, would increase the total Contract value in an aggregate amount in excess of \$1 million, and this contact action is subject to requirements of the District of Columbia Home Rule Act, codified at the D.C. Official Code 1-204.51 (b). Thus, Council review and approval of the proposed Contract action is required.

(N) A summary of the subcontracting plan required under section 2346 of the Small, Local, and Disadvantaged Business Enterprise Development and Assistance Act of 2005, as amended, D.C. Official Code § 2-218.01 et seq. ("Act"), including a certification that the subcontracting plan meets the minimum requirements of the Act and the dollar volume of the portion of the contract to be subcontracted, expressed both in total dollars and as a percentage of the total contract amount:

Bailey Real Estate Holdings is not required to issue a subcontracting plan associated with this

contract because it is certified by the District Department of Small and Local Business Development as a Certified Business Enterprise.

(O) Performance standards and the expected outcome of the proposed contract:

The Contract is/will be required to perform or exceed the requirements and performance standards contained in the Contract and in the proposed modifications. The Contractor is/will be required to continue to provide janitorial services for the University of the District of Columbia.

(P) The amount and date of any expenditure of funds by the District pursuant to the contract prior to its submission to the Council for approval:

Since the Council's last approval, the Department executed:

Modification no. one (1) in the amount of \$2,999,950.00. (October 1, 2021 -September 30, 2022)

Modification no. two (2) was issued in the amount of \$2,999,950.00. (October 1, 2022 -September 30, 2023)

Modification no. three - four (3 & 4) was issued in the amount of \$2,999,950.00. (October 1, 2023 - December 31, 2023, & January 1, 2024 -September 30, 2024)

(Q) A certification that the proposed contract is within the appropriated budget authority for the agency for the fiscal year and is consistent with the financial plan and budget adopted in accordance with D.C. Official Code §§ 47-392.01 and 47-392.02:

Requisition no. R0016283 for Modification No. 1 was approved on November 17, 2021.

Requisition no. R0017737 for Modification No. 2 was approved on December 12, 2022.

Requisition no. 178266143 for Modification No. 3 was approved on November 03, 2023.

Funding Certification for Modification No. 4 was approved on January 19, 2024.

(R) A certification that the contract is legally sufficient, including whether the proposed contractor has any pending legal claims against the District:

Legal sufficiency was established on December 11, 2023. In addition, the contractor has no legal pending claims against the District.

(S) A certification that Citywide Clean Hands database indicates that the proposed contractor is current with its District taxes. If the Citywide Clean Hands Database indicates that the proposed contractor is not current with its District taxes, either:

(1) a certification that the contractor has worked out and is current with a payment schedule approved by the District; or (2) a certification that the contractor will be current with its District taxes after the District recovers any outstanding debt as provider under D.C. Official Code § 2-353.01(b):

The Citywide Clean Hands Certificate, dated January 10, 2024, indicates that the contractor is current with its District Taxes.

(T) A certification from the proposed contractor that it is current with its federal taxes, or has worked out and is current with a payment schedule approved by the federal government:

Bailey's Real Estate, LLC is in compliance with federal tax requirements. The Contractor has provided a Bidder Offeror form.

(U) The status of the proposed contractor as a certified local, small, or disadvantaged business enterprise as defined in the Small, Local, and Disadvantaged Business Enterprise

Development and Assistance Act of 2005, as amended, D.C. Official Code § 2-218.01 et seq.:

According to the DSLBD's website, the Contractor is a certified business enterprise. According to their website, the certification will expire on January 12, 2025.

(V) Other aspects of the proposed contract that the Chief Procurement Officer considers significant:

The contractor shall furnish all labor, materials, equipment, and supervision to provide janitorial services to all of the University of the District of Columbia facilities.

(W) A statement indicating whether the proposed contractor is currently debarred from providing services or goods to the District or federal government, the dates of the debarment, and the reasons for debarment:

The Contractor is not debarred from providing services to the Government of the District of Columbia or the Federal Government, according to the Office of Contracts & Procurement's Excluded Parties List and the Federal Government's Excluded Parties List.

(X) Any determination and findings issues relating to the contract's formation, including any determination and findings made under D.C. Official Code § 2-352.05 (privatization contracts):

There were no responsibility determination issues relating to the contract's formation, and no action or determination related to D.C. Official Code § 2-352.05 (privatization contracts).
